

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, and use that power to influence an election our democracy is at risk.

I will send an email to all advertisers asking to withdraw their funding. John Kerry is an honorable patriotic American hero and he will be disrespected and dishonored by a bias fake news broadcast.

Thank you
